REFERENCES/TESTIMONIALS (VIA WEDDINGWIRE.COM)

"DJ Tr3-Matic came in at the 11th hour for us and I couldn't have asked for a better DJ. He was an absolute joy to work with. He was responsive, committed, easy going, and most importantly made us feel as though we had one less thing to worry about. — Originally, we had a couple of friends that were going to be our DJ's. In the end, I feel as though we still had a friend do so. You can't go wrong with my buddy, DJ Tr3-Matic." —**Zane**

"DJ Tr3-Matic is an AMAZING DJ. We met him at a bridal show and immediately fell in love with him. He's professional, flexible, thorough, easily accessible, quick to respond to emails or calls. We cannot say enough good things about him. Let's not forget HIS bride, who is equally as wonderful. She worked the room all night for us, listening and observing everything to keep the party flowing. Love this dynamic duo!" —**Donna**

"DJ Tr3-Matic was amazing at our wedding and through the whole process. He met us at my parents house and was accomadating the day of. His go with the flow attitude and amazing attitude really helped make our day so special. We highly recommend him! You will not be disappointed" —**Meredith**

"DJ Tr3-Matic went above and beyond to make sure our wedding reception was exactly the way we wanted. He was always willing to answer any questions we had and even helped us create/review our timeline! He had no problem accommodating for the different music genres that our Mexican and South African Indian families wanted to listen to. :) Hands down, he has a great personality, all our guests complimented his skills! The day of the wedding he was on time, he followed our timeline and made sure to keep the party going! Definitely recommend his services to anyone getting married. You will not regret it! Thank you again DJ Tr3-Matic! YOU ROCK! :)" —**Jazmine**

"DJ Tr3-Matic was more than we could have asked for. He worked with our every need and was extremely flexible with our changing timeline. He conducted most of our business through email as I was an out of state bride and then the week of the wedding we met in person to wrap up the final details. He was very easygoing and made sure the day was everything we wanted it to be!" —**Kristen**
