MY PROMISE

YOU KNOW YOU WANT GREAT IMAGES ...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what I promise to give you. Over and over and over again, KOP Couples rave about their experience almost more than their images! Why? Because to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. How you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. I have worked with many KOP Couples over the last 5+ years, and I can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful, and genuine client experiences are what I specialize in, and I am excited to share more about what the KOP Experience includes!

THE EXPERIENCE

WHAT IS INCLUDED IN THE WEDDING EXPERIENCE AND WHY:

I have structured my wedding experience very intentionally. Everything I offer and recommend is a strategic part of an overall experience that leads to what my KOP Couples ultimately desire: genuine, timeless, and joyful images. My most intentional aspects of the KOP Wedding Experience include:

8 HOURS OF COVERAGE

I have found that for a traditional wedding day, I need a minimum of 8 hours to capture the full story of your day with a stress-free timeline.

complimentary ENGAGEMENT SESSION

I include an engagement session complimentary because this is my opportunity to get to know you and empower you to feel comfortable in front of the camera.

SECOND PHOTOGRAPHER

A professional second photographer is a non-negotiable part of your wedding experience! An extra set of hands, a different perspective, and many other reasons are why your wedding day wouldn't be complete without one!

ENVISION THIS....

Your wedding has happened. It was beautiful and everything you dreamed it would be.

Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further, and you invested in a family heirloom keepsake that tells the story of the day you began your life together as husband and wife. Your wedding is literally the beginning of your new family! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four-year-old, and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles, and grandparents celebrating with you on your wedding day. If your future child is anything like ours, they will be in awe of these old pictures. When our daughter, Emma, was four years old, I sat down with her and showed her our wedding album for the first time, and she flipped through the pages for half an hour, just taking it all in. It was as if I had given her a peek into a part of our story that she hadn't comprehended yet, and it was beautiful. Legacy albums aren't only for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

FREQUENTLY ASKED QUESTIONS:

WHAT IS YOUR SHOOTING STYLE?

I love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control to accomplish everything that needs to be done to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I teach my couples how to pose and interact during their engagement session, so they are naturals on the wedding day and don't need quite as much instruction from me!

ENGAGEMENT TRAVEL?

I am more than willing to travel for engagement sessions! I actually love it when couples ask me to photograph them in a location that means something special to them! I book engagement sessions at least two months in advance and include 100 miles of travel. Looking to travel farther? I'm always eager to travel farther for an additional fee.

HOW MANY IMAGES CAN I EXPECT?

I average 75-100 final images per hour that I'm actively shooting throughout the day. This estimate is normally on the lower side since I tend to be an over-shooter. I love delivering my client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. I believe in freely sharing my work because that is what I would want if I were in your shoes!

BRITTNEY + COREY

"Katie was amazing! She went above and beyond her photographer duties. She helped me stay on track with the timeline, she fixed my hair when the curls had fallen, she made me and my husband feel so comfortable while taking pictures. Katie was super flexible and so kind to everyone at the wedding. She made each person feel special and comfortable, especially when they were being photographed. We will be using Katie for the future in our family photos and recommending to her to anyone who will listen."

KHYLA + JAKE

"Katie is so fun to work with and just the sweetest person. She really makes taking the pictures fun and has a natural talent for finding the right spot or idea for a great shot."

THANK YOU!

I'm so glad you contacted me! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!

Xoxo, Katie
