BRINGING YOUR WEDDING MEMORIES TO LIFE. |

You have hundreds of wedding plans to make. Deciding who will bring your memories to life is one of your most important. When the flurry and excitement of your wedding is over, it's beautifully captured images that help you revisit the romance, emotion and spirit of an event that passes so quickly.

CHOOSE A PHOTOGRAPHER WHO  
VALUES YOUR DREAMS

I think of you as more than just a shot list. Instead, I invest time getting to know you and your wedding dreams. That makes all the difference. You will be more comfortable in front of my lens, and your images will have the natural, more authentic feel of true keepsakes.

VIEW PORTFOLIO IMAGES FROM  
AN ENTIRE WEDDING

I will capture consistent, quality images throughout your wedding day. Details matter. And the subtle nuances of your day are important. I'm happy to share entire wedding galleries with you, so you can assure yourself that the quality you expect consistently shines through in every shot.

CHOOSE A SEASONED PROFESSIONAL

I'm experienced dealing with many different lighting environments and situations. I'm committed to professional and timely response to your needs before and after the ceremony. All hallmarks of a seasoned professional. And all assurances that every special moment of your wedding is flawlessly captured.

# Engagement Sessions

---

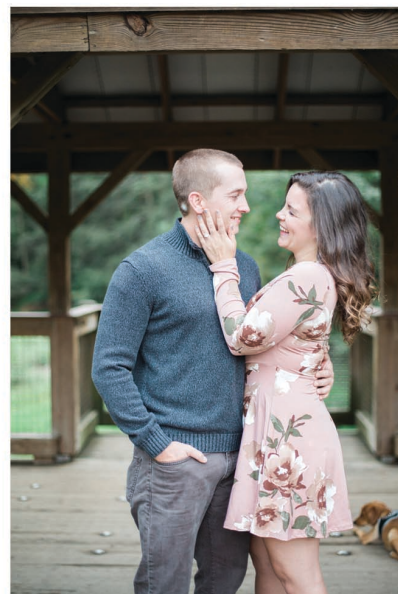

SHOW YOUR LOVED ONES HOW IT ALL BEGAN.

Engagement sessions add so much to the story of who you are as a couple right now, and they're an ideal way to become more comfortable in front of my lens before your wedding day.

Your engagement session can be as simple as a stroll through your favorite park, an intimate meal at your favorite café, or even a romantic return to where he proposed — anything you can imagine to share the imagery of your personal love story.

Formal or informal, images from your engagement session are beautiful additions to your wedding album, and also make a wonderful signing book. They help to craft the whole story, and can even be used for save-the-date cards, invitations or thank you cards.

Tip- Pinterest is a great source for outfit inspiration!

## Frequently Asked Questions

---

When will i receive my images?

-The editing process usually takes aroundn 3-4 weeks before your usb is shipped to you.

Do you Travel?

-Of course! We will travel. We love destination weddings and will go wherever a client wants. (additonal fees may apply)

Is there a seoncd shooter available?

-I do offer a second shooter, weddings can certainly be fully done with one photographer, but its always great to have two if there are different locations for prep!

How many images will we get back?

-The amount of photographs you get back depends on many factors. Amount of guests, hours of coverage, or locations to nama a few, An average wedding day (8 Hours of coverage) will yield from 375-450 images.

Are you able to hold our Date?

- As much as id love to i am not able to pencil someone in, The reservation retainer and contract are a sure fire way to make sure that date is yours!

What if we run late or want you to stay longer?

-of course i will. Once i get your full permission i will stay as late as you need. However there is a fee per each extra hour of coverage past our original contract.

Do we need to feed you?

-While feeding us is not required, we would greatly appreciate it if you did. Most venues have "vendor meals" with thier packages. Food helps us stay mobile, happy, and ensures that we dont faint on you! I prefer to be fed at the same time you eat so as not to miss anything important and no one likes pictures of them chewing.

I am willing to answer any other questoins you have for me but i hope that covers some of the concern!
