Breakdown

Full Day of Shooting + Editing This includes coverage of your event for the full duration of the wedding. There is no limit upon the time of arrival to departure. This includes up to 150 photos to be edited, chosen by Ben.	\$1,600
Unedited Photos Unedited photos will be delivered via Google Drive. This includes a folder of all the photos taken, unedited, and ready for download.	\$0
Second Shooter This includes a secondary photographer to capture a wider variety of angles and positioning that can not be achieved by just one photographer. This option is highly recommended for weddings with a head count over 50.	\$600
Engagement Session Looking to book an engagement session on a separate day? Avoid the stress that comes with day-of wedding photos being your only session. Capture your authentic, genuine love for one another in any location of your choice.	\$800

Add-Ons

Instant Print Outs (Photo Booth)

Take a photo with your guests for them to take home the same day. This is a fun way for your family and friends to remember your day.

\$800

Photo Album

Don't worry about printing out your photos, I can handle that for you. Get a beautiful, personalized photo album filled with your favorite photos of the day.

\$400

Videography

Interested in videography for your wedding as well? We work with a phenomenal team of videographers who share our passion for weddings. If you're interested, contact me for details.
