Testimonials

“These pictures are unbelievable and truly reflect how we felt that day. You did such an amazing job and I want to personally thank you for taking care of us. These pictures mean the world to me.” —Jenna & Kyle

“Joy was absolutely awesome. Couldn't have asked for a more professional and affordable photographer.”
—Theresa & Nick

“Joy did our wedding and we could not be happier! Joy is absolutely amazing at her job!

She is such an amazing and calm person which makes you feel at ease on your wedding day. We received some sample photos quickly after the wedding and they are absolutely breath taking... She has a way of making every photo looks super natural which was so important to me when selecting a photographer. I would highly recommend her for any photo services!” —Megan & Todd

“Joy did a great job shooting our wedding. It was very important to me that all details were captured, and she made a point to take pictures of many things. She was easy to work with, and I love her style. I've already recommended her to two other couples getting married. I love that she captured the most candid, special moments but also had some great posed photo-ops too. Thanks, Joy!”

—Susan & Jon

A couple in wedding attire stands on a rocky hillside surrounded by large trees. The groom is in a dark suit and the bride is in a white dress. They are holding hands and looking at each other. The scene is set in a forest with large, mature trees and a clear blue sky. The ground is covered with rocks and some greenery.
