ADD-ONs:

1) Second photographer- 150/hr booked

Have a second photographer that I trust there to capture even more candid moments and different angles.

2) Engagement session- 300

Get some beautiful photos of you and your partner to share the news of your engagement!
The session includes 1-1.5 hours of shooting, 2 different looks of your choice, and about 30-50 final images in an online gallery.

3) Day-After session- 250

The day of the wedding can get hectic. If you book a day-after session, I'll make sure to get plenty of beautiful portraits of you and your new spouse together, without the time-constraint of the actual wedding ceremony!

3) Proposal session- 350

These are my favorite! If you're planning the big moment, and want documentation of your partner's pure joy, focus on your fiancé and leave the planning and documentation to me!
