HAIR TRIAL

Our stylists provide all services on location. (In-state and out-of-state pricing.) We offer one and two look options for your trial. Trials are based on an hour per look of one-on-one time with your personal stylist. Bring pictures of inspiration and our stylist will recreate it for you. If you are not exactly sure what you're looking for, our committed team will consult with you on your personal style, theme, and wedding dress in order to create your wedding day hair. The stylist will take a photograph for their reference and yours for your big day.

If extra time is required, additional fees will apply.

Looking to add some extra volume and length with your own extensions, our team will put in your clip-in hair extensions for you. (If interested in purchasing hair extensions, please inquire.)

RESERVATIONS

To secure your wedding date, we require a deposit to be placed for half of the total balance. The remaining balance is due 48 hours prior to the wedding date. Please be advised, the wedding date and scheduled times will only be reserved when deposits are placed and the agreement is signed. We accept all major credit cards, debit cards, or cash.

TRAVEL FEE

A minimum of \$55.00 or .65 cents a mile will be added to each artist/stylist contract. We do our best to have our artists/stylists commute together to events. In some instances, the artists/stylists are coming from different locations, have different events to work afterwards, or have different arrival and ready-by times so more than one travel fee will be assessed.
