

# Meadow Wood Farm Floral Design Pricing Guidelines

## Bouquets

The bridal bouquet is the most photographed floral element and can express a bride's style through flowers. Bridal bouquets range from \$150-500 and bridesmaids bouquets range from \$80-\$200.

## Ceremony Installations

Ceremony flowers should be extra special as they are decorating the space you will be married in. We offer a variety of shapes of floral arches, aisle decorations, and pedestal arrangements ranging from \$500-\$7000.

## Reception Tables

These are the flowers your guests will see the most. Having a cohesive vision between ceremony and reception helps bring your celebration all together. Reception arrangements range from \$120-1000

## Hanging Installations

Hanging Installations can bring major wow factor to your reception. They vary greatly in price depending on the materials, the intricacy of design, and the mechanics of hanging. Installations range from \$1000-\$10000

## Wearable Flowers

We offer many different wearable flowers and love creating new ways to incorporate flowers into your wedding wardrobe. Flower crowns, boutonnieres, corsages, and collars range between \$25-100.

# Meadow Wood Farm Floral Packages

## DIY Wedding

Couples who are DIYing their wedding can order buckets of flowers from Meadow Wood Farm to put together themselves. Jessie will consult on how many flowers and greenery you will need for your vision and can create some of the more difficult elements, such as the bridal bouquet

## Micro Weddings + Elopements

For micro weddings and elopements we love creating those special floral elements that make smaller occasions super memorable. Bouquets, Boutonnieres, and Ceremony Flowers are the most common elements for an elopement or micro wedding.

## Full Scale Design

Let us fill every corner of your venue with flower! This option includes all the arrangements you are looking for plus full event installation and break down.

## Custom Growing and Design

If you are looking for a wedding that is unique and tailored to you and your partner, we will work with you to custom grow flowers that you won't find anywhere else. Let's create a floral design that tells the story of your relationship.
