“Jordan is INCREDIBLY talented. She shot our wedding in May and I could not have been happier with the photos!!! Not to mention, her turnaround time for our gallery was incredible. Choosing her as our photographer was one of the best decisions we made for our big day. Not only was she simply an amazing photographer, but also a great help on my wedding day.”

NATIONAL

LOCAL

“Jordan is the easiest person to get along with, she knows exactly what she needs to do or say to get the shot you want. Her technique with lighting is beyond amazing!! Besides how speedy quick she is with the editing and the quality of the pictures she’s seriously one of the best photographers I’ve ever worked with simply because she isn’t just pointing and clicking she wants her clients to be over the moon happy with the shots and she has a passion for her profession that is so vibrant.”
