EXPERIENCE GUIDE

LOS ANGELES- WORLD WIDE

STOP !

TAKE A MOMENT..

BREATHE..

Think of all the people who will not be at your wedding...

Your unborn children & grand children...

The amazing friends you haven't met yet...

and the wonderful people who are yet to enter your life....

Anyone can take photos..

My mission is to artfully document priceless moments of your wedding day in a way that transports those who weren't there right into your shoes.

to make them feel as much of what it felt like to be there with you that day.

Your wedding images deserve to be hung on a wall. Not hidden and forgotten in some old hard drive !

I want to be your friend, not just your photographer. I want each photo to reflect the real you. I will be there for every tear shed... for every smile seen.

I want to make you feel something special with every photo you see a lifetime to come.

Together, we can create something very special !

SECOND SHOOTER

Deciding on a second photographer is subject to different conditions. Think of your wedding day's timeline, the size of the wedding, the distance between two locations. The Second Shooter option is also useful if you want a second view of all the special moments you will experience that day, or if you plan on covering several activities at the same time.

F.A.Q.

HOW MANY IMAGES DO WE GET ?

While I emphasize quality over quantity, my rule of thumb is to never leave anything out. I capture enough photos to tell a story. So I would rather hand you a few hundreds “OH WOW” photos than a thousand “so-so” ones. On average however, you should expect between 500-1000 edited images depending on the size of the wedding we are covering. For engagements I usually deliver 50-100 images.

HOW DO PAYMENTS WORK?

I ONLY require a 50% retainer to hold your date. the remaining balance will be due 10 days prior to your wedding day. I accept Venmo & Cash.

WE ARE NOT VERY COMFORTABLE IN FRONT OF THE CAMERA !

Guess what? 99% of couples I shoot for are just like you. So do not feel left out :-). Not to worry I hold a %100 successful track record using the following method:

1- We meet and get to know each other closer during the consultation and or Engagement session. I get to know more about you guys and your family. We literally become good friends. This will help you feel very comfortable near my camera.

2- While I follow a very organic documentary process in my workflow which requires no posing, I will jump in for a few posing ones while ensuring you look your natural best without feeling forced or fake.

WHAT HAPPENS IF WE WANT TO CANCEL/RESCHEDULE?

Weddings: Due to the strong chance of missing out on other weddings i may turn down for your booked date, the retainer is non-refundable. a new retainer will be required to book your new date.

Engagements: i would be happy to find a new date that works for both of us at no extra charge.

WHAT HAPPENS IF YOU CAN'T SHOW UP LAST MINUTE?

I have NEVER cancelled on any client. However, in the unlikely event of something crazy/out of control happens forcing me to not make it to your wedding, I will do my very best to find a suitable photographer with similar set of skills to take my place. If I still can not arrange for another photographer to show up to your wedding, you will then be fully refunded.

Let's do this!
