## WHAT OUR COUPLES ARE SAYING...

From the first time I met them I knew they were people I would feel at ease with on my special day. Their work speaks for itself. Capturing the love between two people is an art, and they make it seem so simple. ~ Julie and James

They are so much fun to work with and their photography is AMAZING!!! We are in love with our engagement pictures and cannot wait for our wedding photos! I highly recommend Kelly Canova Photography if you want superb, artsy, fun, and perfect...  
~Jessica and Danny

...the best part was that she made us feel comfortable with every step of the process. From the initial meeting in her home, to the engagement photos, to day of, my wife and I knew that one vendor we never had to worry about was our photographer.  
~Kim and Evan

When we saw the pictures after the wedding, there were hundreds of great shots to choose from! We really feel like Kelly and Courtney captured the feeling and meaning of so much of the wedding and her beautiful pictures will be such an amazing way for us to remember the wedding and share it with friends for years to come.
