Price Sheet

Weekend weddings are usually Friday to Sunday, but we are flexible at no extra cost. Set up and decorate Thursday or Friday, and hold your rehearsal that evening. Wake up fresh and ready for your big day Saturday, then enjoy your guests late into the night as you celebrate your first day as a married couple. Sleep in late Sunday morning in the farmhouse, then when your best friends and family arrive to help, feed them breakfast before gathering up all your things and precious keepsakes.
