Honeymoon Travel Planning: Fees & Payment Schedule:

Travel planning involves time and expertise. Our research is based on personal experience and professional resources. The preferred supplier partners that we select have been chosen based on their ability to meet your specific event needs and that of your guests. Your final itinerary will provide an event that should meet or exceed your expectations.

In order to perform the professional services required to plan and arrange your group travel, a deposit of \$100 is required. This deposit is due at the time of agreement and will be refunded to you when your travel is completed, provided all contract requirements are met.

In the unfortunate event that plans are cancelled or if the itinerary is not fulfilled for any reason, the deposit will convert to a non-refundable research fee and will be retained by Alpaca Your Bags Travel LLC.
