Frequently Asked Questions

Will You Create A Custom Package Just For Me?

Yes! I know your wedding is a one of a kind day and I can custom design your wedding package to fit your specific needs. To make it easier, I have a variety of payment plan options available.

Do You Travel For Weddings?

I love to travel and will photograph weddings all over California from San Diego up to Sacramento. Out of state travel fees are based on travel distance or airfare & overnight accommodations.

What Payment Schedule Do You Require?

A non-refundable booking fee of \$500.00 is required with the signed contract to book your wedding date. This fee will be applied to your package choice. Should you need to change your date; this fee will be applied to the new date if it is available. Pricing is subject to change without notice; prices are held by contract only. Your package selection needs to be made 30 days after booking. I will set up a payment plan to suit your needs with the final balance due 14 days before the wedding date. I accept payments by cash, check and credit card.

Who Will Be My Photographer?

I, Monica Hennessee will be the principal photographer for your wedding with another photographer assisting me. Working as a team allows us to capture the day from two different viewpoints and capture more candid moments from your day.

When Will I Receive My Proofs?

In most cases your images will be on-line within 6 weeks after your wedding and will be available on-line for 120 days after posting. Please use this time to share your images with family and friends and to choose your images for your album and prints. There is a \$10.00 charge to extend your gallery for an additional 30 days.
