Gold Country & California

Murphys
CA.

Quiet Elegance in the
Heart of Wine Country

Why Murphys, California?

When Murphys hosts your destination wedding or special event, the setting truly does feel like this one-of-a-kind town has been perfectly custom staged for you and your party alone, as if lifted from the celluloid of a major motion picture, transported to a magical place under the massive canopies of the soaring ancient big trees and delicately nestled in the Sierra Foothills.

Deemed one of the “[8 California Small Towns to Visit Right Now](#),” by the San Francisco Chronicle, Murphys (located in Calaveras County), is an unrivaled and incomparable historic Gold Country town nestled in the Sierra Foothills a mere 2.5 hour drive from San Francisco or San Jose and 1.5 hours from Sacramento.

As you mingle with other visitors or sit and dine at any restaurant, you’ll be greeted by countless visitors who have traveled from all around the country and the world who have come to experience Murphys as once many did after the discovery of Gold in 1849. But, in this era, it’s for the wining, dining, and good timing.

Once you park your car, Murphys truly is a fully strollable town with fine dining, historic attractions, boutique shopping, bars, bistros, bakeries, a beer garden, numerous live music options, and, arguably, one of the greatest concentrations of American wine tasting rooms (21 at last count), all of which line the quaint, serene and inimitable half mile long Main Street. Many visitors report that after arriving in Murphys, the one and only other time they’ll get back in their car is days later when it’s time to depart for home.

As you traverse Main Street, you seem to time travel between the present day and long gone decades and centuries. Visitors feel as they’re meandering a town blended from movie sets and backdrops pulled from *Deadwood*, *Silverado*, *Wyatt Earp* and *Westworld* combined with the relaxed and casual atmosphere and elegance of Sonoma and Napa of the early 1970’s.

In addition, the town of Murphys is smaller than most mega-wedding facilities, so for any destination wedding, the town itself becomes your luxury resort.

How’s that, you ask?

Have you ever considered renting a whole Wine Country town as the backdrop to your destination wedding? Well, Murphys is that town.

The Victoria Inn and Dunbar House Inn and Event Property account for 19 luxury rooms, are both on Main Street, and are a mere three minute walk apart. Five of our additional luxury rental condos, available through V Vacation Rentals, are on and overlook Main Street, and are located directly across the street from the Dunbar House Inn and Event Property. Additional luxury homes are, at most, a 1 to 10 minute walk from Main Street, with two additional properties located a mere 1.2 to 2.7 mile drive from central Murphys.

In addition, if you’re ambitious for mountain sports, scenery, valleys, climbing, rivers, vineyard tours, lakes, swimming, boating, biking, kayaking, S’up boarding, skiing, remote wilderness hiking, caverns, zip-lining, standing in awe in the shadows of the biggest trees in the world and other adventures, from Yosemite 2 hours to the south and South Lake Tahoe 1.5 hours to the north, Murphys is the perfect jumping off point for every bit of action one could desire, encounter or conceive.

We welcome you to experience Murphys.
