Built in 1934, the historic Clair Tappaan Lodge offers rustic, bunk-style accommodations with twin-sized beds and shared bathrooms. Room types include large dormitories, private family rooms that sleep between 5-12 guests, and private 2-person rooms. Each bed comes with a top sheet and pillow. Guests are asked to bring their own sleeping bag or comparable bedding, towel and toiletries (linen sets are available for an additional fee). Maximum capacity for overnight guests: 145

Food Service

All food and food service are provided on-site by our professional chef and kitchen staff. Special event meals such as reception dinners are custom-designed with your vision and budget in mind. Seasonally-prepared sample menus are available upon request.

Tastings

One of the most enjoyable parts of planning your wedding is the tasting. Our chef would be happy to schedule a menu tasting for the wedding party once your wedding date is secured and confirmed. All guests are welcome to join in the tasting. You, your significant other and your parents are invited for the tasting. There will be a small tasting fee of \$15 for each additional guest.
