WEDDING & EVENT PACKAGES

I only shoot one event in a single day and I am dedicated to you. I provide you with proofs from the day, along with edited digital files. Wedding and event photography is customized to fit both your needs and your budget, however clients typically spend between \$1,500 and \$3,000; depending on the scale of inclusions, number of photographers and time to properly cover the entire day. My most popular wedding packages are detailed on the following page, and we will work together to custom design a package that ensures you have everything that you need, within your budget.

Prices above include digitally enhanced proofs and digital files.

Sales tax will be charged to Las Vegas residents who purchase packages that include albums and/or prints.

Transportation within 25 miles of Las Vegas included, additional locations and travel available with additional fees. Please contact for details, 702-496-0755.
