# Off Premise Aspects

## Traditions Provides a Full Service Catering Experience to your Chosen Venue-

When a venue is chosen that does not provide catering, there are many aspects that need to be gathered, and needs are venue dependent. With our extensive knowledge of local area venues we can help guide you to make sure you have everything needed for a smooth flowing event, and your wedding day is as stress free as possible.

### Please add the Desired Aspects to Menu Cost in order to Better Estimate Pricing:

**China, Flatware, & Glassware**—this includes plates and flatware as needed for cocktail hour, salad, dinner, and cake service; glassware for non-alcoholic beverage station and tableside water service at an average cost is \$3.80 per guest

**High Quality Plastic Option**- Traditions may provide white plates with silver /gold rim, clear plates, faux silver or clear flatware, and clear tumblers for food and beverage service at \$2.50 per guest

**Unlimited Beverage Station Service**— Sweetened and Unsweetened Teas, Lemonade, & Water offered at \$1.95 per guest and includes beautiful dispensers, lemons, and a variety of sugar packets.

**Coffee Service**- Includes decaf and regular coffee stirrers sugar packets and creamers at \$1.00 additional per guest \*Will require china or plastic costs for service supplies.

**Bar Needs**- Traditions provides a variety of customizable bar offerings. We are fully licensed to bring a full bar to your event for your guests to pay for drinks with cash or card at order for \$150 set up/ breakdown fee per bar/100 guests. A hosted bar may designed with our package pricing or by consumption with predetermined amount and selections chosen by couple. Finally clients may decide to provide the ABC license and alcohol in which case Traditions will charge for the staff member and couple may add a mixer package at an additional cost. \*Will require glassware /plastic costs for bar needs.

*-Add a Champagne/Cider Toast for \$2.95 per guest plus cost of Glassware-*

**Linens**- Traditions can provide basic linen for your guest tables in white, ivory or black in 120" length (full length for 60 " rounds) and needed buffet, beverage and service table linen. Each piece is \$10.00. A limited selection of polyester or satin napkins also available at .85 per napkin. This option is perfect for the couple who is keeping things streamline and simplistic, but for specialty needs, colors and fabrics we recommend a local rental company.

**Staffing and Service**- All Traditions full service off premise events require a minimum of (2) hours of set up and (1) hour of breakdown- staffing is \$20 per staff per hour. Typical event times span 4-6 hours for Ceremony & Reception and Cocktail Hour & Reception only Wedding events in addition to the set up & breakdown allotment. This makes the average staffing/service charge \$140-180 per staff member contracted for the event,. We require (1) buffet/beverage/kitchen attendant, (1) server per 25-30 guests, and applicable bar tender (per bar/100 guests) upon request. \*Additional staff and hours may be needed for events requiring additional aspects based on requested services./needs.

*\*Every event is different and will require some aspects we cannot properly cost until knowing more about your specific needs. We commit to customizing every couples experience with us, so while this may be a great starting point, we encourage a meeting or call to better estimate the cost of your event.*
