## The Session \$300

Looking for a new profile pic? Need to spice up that lackluster dating app? Maybe you just graduated, or you're in a rock 'n roll band about to hit the interstate on your third national tour. Whatever the story is, I want to tell it!

The Session includes 1 hour of collaboration and shooting, resulting in 10-20 TIFF and JPG images. Formatted for easy web uploads, email sharing, and excellent print quality.

## Mini Couples Session \$150

30 minutes, one location within 20 minutes of Missoula, MT. 5-10 TIFF and JPG images. Formatted for easy web uploads, email sharing, and excellent print quality.

## Engagement Session \$300

Your story is pure magic. Let's show everyone else how well you love. 1-3 hours of collaboration and shooting. 10-30 TIFF and JPG images presenting you and your special somebody's story. Formatted for easy web uploads, email sharing, and excellent print quality.

## The Basic Wedding \$1,800

The Basic Wedding package is perfect for people who just need... well, the basics. With a six hour block of coverage, I will work closely with your schedule to capture a small ceremony, family and couple portraits, and the beginning of the reception.

Six hours of coverage, 100-200 TIFF and JPG images edited with full printing rights. Formatted for easy web uploads, email sharing, and excellent print quality. One location.

## The Standard Wedding \$2,200

The Standard Wedding Package is the best bang for your buck, and a guarantee to not miss a thing. An assistant and I will capture both sides of the wedding party getting ready, the ceremony, and most, if not all, of the reception.

Ten hours of coverage, 200-400 TIFF and JPG images edited with full printing rights. Formatted for easy web uploads, email sharing, and excellent print quality.

Multiple locations possible within ten minutes of main location. Must provide your own transportation unless worked out ahead of time, and location must be easily accessible for all.

Sneak peek of five images posted within a week of the wedding.  
One month turn-around on edited images.
