

## WE WOULD BE HONORED TO HELP OUR FOCUS IS YOUR DAY....

Cheers TO LOVE! Congratulations to you both.

Super want to work with you and customize your experience and package details. We are a one stop shop. Our venue is intimate and unique, so not the large group vibe. We have our niche in serving the smaller groups.

A few major points of what is included and why it's a good thing for you to cut the stress and worry out of your planning. This should all be a fun adventure and we want to make it just that!

1. Bar Service, we have an all beverage liquor license. We can procure what you want to be served AND we serve it! Custom built bar, we can suggest signature drinks made from MONTANA spirits and suggest local beers, and a world of wines. We have favorite toasting beverages. Non alcohol as well. Coffee service too. If you want to bring in an espresso bar we can make that happen to at an extra cost. We can do a cash bar too. You must have a liquor license to offer this. happen... GOOD THING: a mobile bar service costs \$1,500. Then you have to figure out to send Aunt Denise to Costco to haul in and make sure things are chilled. How much mix to tell Aunt Denise to grab? Hope it is in stock.....
2. Planning. We've got this! If we hear you need a bunch of details handled, we will call in reinforcements, so you can pay the planner that we know well and work with well. We can work well with whoever you choose too, so you decide. **WE** are included. A wedding planner will also charge you \$1,500. PRO we love doing

this and have fun with it. The proper energy is brought to each moment of putting everything together.

3. DANCE FLOOR- we've got one, it comes with. No extra fee for coordinating that. No extra charge for bringing it in. PRO. Extra charge would be \$1200 for the tent and floor we have. (A dance teacher came out to advise us, and it is the proper sized floor for our venue.) We have a PA system that goes with the dance floor too, no need to pay for that rental.

So, over \$4,200 in value is instantly included.

Just wanted to mention these three items. Other pluses are: parking, yellow farmhouse vacation rental on site, a bath house and no portapotties (gross), simple décor and flower arranging, coordination with caterers and help with serving, which will save you money on extra staff they'd have to bring. We are serv safe certified.

Package are on the website. Discounted prices for off season and week days.
