Sunshower Farms does not have a chef on staff for catering. For all events, Sunshower can help clients book a local chef or caterer who can best meet the client's needs and budget. Because of this, we do not have exact food costs or meal packages to offer as it depends so much on the food requested by the client. To get an idea of food costs in general, check out the example menus with pricing on our website.

## Designing a Custom Event with Outside Vendors:

Clients are of course welcome to hire any vendors they'd like! But for those looking to narrow down their search or just to get some cool ideas, Sunshower Farms has great relationships with a bunch of different event vendors and we are happy to give recommendations to set you up with a totally custom, unique event.

When you book with us you will be given our list of the standard vendors like photographers, officiants, musicians and makeup artists. But what is really special is our list of specialty vendors like photo booths, mixologists, lei makers, fresh coconut sellers, food trucks, fire dancers, calligraphers and hula groups. Many of our past clients have said that our flexibility and vendor list was one of the best parts of our venue.
