CANDID + REAL PHOTOGRAPHY

Nothing excites me more than seeing connection between people. I'm here to capture that emotion and all the moments that happen in such an important day!!

I like to take a mix of posed + candid photos that seamlessly come together. As an artist, I not only think of the subject in the photo, but the overall composition.

Up to and after your wedding, I will be in touch and make sure everything photography related is covered and all your questions are answered!

HEY, I'M SYDNEY!

your wedding day bestie

If you don't know me, I'm your wedding day bestie!! I'm here for anything you need - snapping BOMB photos, keeping the bridal party on track, picking the best photo locations, + I'll even pass you a tissue if you need it.

I'm a easy-going + candid inspired photographer based in Waco, Texas. I'm a shoes off + have a good time kind of girl! On a wedding day, my goal is to make you feel comfortable in front of the camera, and to focus on the raw + real moments on your day.

IF I SOUND LIKE YOUR KIND OF PHOTOGRAPHER, THEN KEEP READING!

”

kind words

I went into the photo shoot basically just knowing where, when, and what I wanted to wear. I am not a huge planning person and I had no idea what type of poses I wanted. Sydney got to know us and posed us for our pictures. If the pose didn't come out right she'd just come up with a new one. She was very flexible and patient with my lack of knowledge.

I can say without doubt she captured mine and my fiancé's personalities perfectly in all over her pictures. They were edited beautifully and taken skillfully.

I would HIGHLY recommend anyone to hire Sydney and hire her fast!! Love, Love Love!!!

-HAYDEN + ZADE

Sydney did amazing for a friend's engagement! Went above and beyond in showing up early to secure location and made the whole engagement special and memories forever! Thank you!

for your wedding day...

we'll talk over timeline beforehand

I like to be on the same page before your wedding day! For me, that means I'll construct a photo timeline to stay on track throughout your wedding day.

I'll figure out photo locations for you

It's not your job to worry about photo locations - it's mine! If your venue is local, I'll go + find a few options for you to choose from. If I'm traveling from out of town, I'll still use my resources (aka, Google Maps) to find some awesome spots for you.

I'll arrive 15-20 minutes early

This will help me get a feel for the set up of your venue + the lighting at the location. This time allows me to plan my shots + pick specific photo locations.

you don't have to worry about posing

It's also not your job to make sure you look BOMB in your photos! Whether you're a trained model or you've never had photos done before, I'll tell you everything you need to do in front of the camera.

FAQ

how soon will I receive my photos?

Typically, I deliver galleries within 3-5 weeks of your wedding date.

how much is your deposit?

I require 40% down + signed contracts to secure your date.

do you recommend a second photographer?

Yes, absolutely! I'm 100% comfortable shooting by myself, but on a wedding day it's super great to have an extra set of eyes to capture the things I might not be able to. For example: a second photographer can capture the groomsmen getting ready, while I capture the bridesmaids! You'll get photos from a completely unique perspective, which is a huge bonus for your wedding gallery.

can I add on a second photographer?

You can *totally* add on a second photographer, I'd love that! I have a few photographers that I prefer to work with + based on their availability, I'll get someone lined up for your date. It's \$300 to add a second shooter for 5 hours of coverage onto your photography package.
