I would love to photograph your special day. Because I have had many requests for less than six hours of coverage, I can customize your wedding photography needs. I will offer up to 4 hours at a rate of \$300.00 per hour. Your images will be of the same finished quality that Jacalyn Roland Photography has always provided and that you will be proud to share with your family and friends. Give me a call and we can discuss your requests.

. ALL PHOTOS ARE INDIVIDUALLY RETOUCHEDED WITH CARE AND READY FOR PRINTING.
