JENN AYERS PHOTOGRAPHY

I'M JENN AYERS

I am a wedding, engagement, and family photographer here in Austin, Texas. I am an adventure-loving, risk-taker in both my work and my personal life, doing what it takes to create lasting memories. When I'm not shooting, I'm traveling or spending time with my two kiddos and hubby.

I myself was a 2021 bride, marrying the love of my life, Eric, in Dripping Springs. He and I have a three-year-old son and newborn daughter, who are the sweetest, most chaotic combo around (a perfect blend of my husband and me).

I've been working professionally for just over 4 years, but have been learning photography via classes and personal use for over 15 years. I like to keep myself very busy, often having more than one occupation at a time, which gives me the title of bad-ass, super-mom, business owner. (But you can call me Jenn.)

"Beyond mere documentation. Her photos are a true work of art."

EXPERIENCE

5

The big day. I will be there ready to work and capture every moment of your special day. I can be as visible or invisible as you'd like -- clicking photos the entire time.

RETURN

6

I'll deliver hundreds of images for you to look back on for a lifetime. Bring on the tears!

I love getting to be your professional hype woman, your go-to third wheel, and your source of confidence in great photos.

There's nothing I'd rather be doing than capturing the photos of all your favorite moments. I'm not here to take overly-posed photos -- I want real laughs, silliness, and true tender moments. Let's get a little wild, and not be afraid to take a leap of faith in order to get the shot.

Each image will tell a small part of your story, so I'm here to capture it as authentically as humanly (or digitally) possible. I don't want you to be just another face in front of my camera, I want all my clients to walk away as friends. So let's chat, let's shoot, and let's tell your story.

“IT TRULY FELT LIKE SHE
WAS ANOTHER FRIEND
JOINING IN ON OUR
CELEBRATION AS SHE
CAPTURED IT ALL!”

A man and a woman are shown in a dark, festive setting. The man is in the foreground, looking towards the camera, while the woman is slightly behind him. They are surrounded by string lights and tinsel, creating a magical atmosphere. The text 'Can't wait to work together!' is overlaid in a glowing, cursive font.
