

Congratulations on your engagement

You are embarking on a wonderful journey filled with love, laughter and fulfillment, one that you will treasure for a lifetime.

You are excited and ready to start planning the day that will join you as one for the rest of your lives.

If you are planning a destination wedding in our beautiful island home Jamaica, we hope this brochure will assist you in making some of the important decisions such as, setting your budget, selecting your venue, decor etc....

These are guidelines and items can be added and or removed to match your vision.

Here at Exquisite Events we would like to help you navigate the "waters" of wedding planning, as sometimes it can get very turbulent.

We do hope you will consider granting us the privilege of assisting you with the beginning of your fairy tale .

Venues

Jamaica is home to many amazing venues that will be perfect for your wedding. There are beautiful beaches, majestic waterfalls, historic properties, great houses and lush gardens. In addition there are private villas and resorts. These venues are located all over Jamaica so there's bound to be a spectacular venue where ever you are in the island.

Prices vary based on the venue you choose, some villas will allow you the use of the grounds for your wedding if you are staying on the property, while some hotels charge you for each vendor that you bring on the property to assist with your wedding. It's best to weigh the pros and cons of each venue before you make your final decision.

Keep in mind though that a tent might be required if you are using an outdoor venue as the weather can be very unpredictable.

Venue prices usually starts at \$1000 and can go up to \$3000.00

Rosehall Greathouse

A few more things to consider for your big day

There will be additional charges that will be calculated and communicated before the contract stages.

These charges are usually based on the location and size of your wedding.

These includes but are not limited to :

- *Travelling
- * Accommodation
- *Set-up and break down costs.
- * Vendor Transportation / Delivery Cost
- *Generator (most outdoor location will require this)

We would like to thank you for taking the time to peruse our brochure, and do hope to hear from you.
