Amanda and her team were fantastic! I got so many compliments on my hair and make up. They were patient, extremely responsive, listened to their customers about what we wanted, accommodated changes, and followed through. My make up stayed on the whole evening without issue, and my hair was perfect for many hours! Highly recommend, particularly if you are looking for a more natural look

Amanda and her team were so wonderful! They are so sweet and did my bridesmaids hair/makeup, including myself, so quickly but so Diligently!
