## Frequently Asked Questions :

### **What are the differences/benefits of airbrush vs. traditional makeup?**

Airbrush makeup is applied with an airbrush gun. This process produces a very fine mist of foundation to be applied to your skin, creating a flawless finish with impeccable coverage, while utilizing only a minimal amount of makeup. Airbrushing allows the makeup to set on the “surface”, rather than pushing the product into the skin as with traditional makeup. Airbrushed makeup will last for at least 12 hours and is waterproof, tear, sweat and smudge proof. Which means no rubbing off on anyone’s’ shoulder during all those wedding day hugs!!

Your traditional makeup application will stand the test of time as well! I use only high quality makeup products that are meant to last (and hold up in Texas humidity!). I then finish with a setting spray that will render your makeup transfer resistant as well as tear and sweat proof!

Whichever method you choose, you can’t go wrong! Both methods will be HD quality, allowing for beautiful film and photography shots and guaranteed to last from your walk down the aisle all the way to the last dance!

### **Do I need a trial and what should I expect at my appointment?**

I highly encourage every bride to have a trial run of the hair and makeup before the wedding date. It is a time for both you, as the bride, to experiment with the multiple looks you may be considering, as well as an opportunity for me to answer any questions/concerns that you may have and make sure we are on the same page. It also gives me the opportunity to familiarize myself with your needs, skin type, and hair texture. It ensures your total confidence and peace of mind, and allows for the most efficient use of our time together on your wedding day!

I can provide the trial for you at my centrally located salon anytime that is convenient for you. Please come with your hair as you would normally wear it or clean and DRY!! Bring along pictures of looks you love or don’t love for that matter. Anything that will help us collaborate on your “look”.

Please keep in mind, I offer trial appointments Wednesday, Thursday, and Friday each week, as my weekends are reserved primarily for weddings. However, I am happy to work with each individuals needs as best as possible.

### **Do you accommodate large wedding parties?**

We can accommodate as many people as you have in your party! Myself and my lead bridal artists are personally available for bookings of up to 8 services. If you have a larger bridal party, additional artists from my highly trained and talented team of beauty specialists will be booked to accommodate your groups’ needs.

### **How long does it take for each service?**

On the big day, please do not underestimate each individuals need to have professional hair and make-up to help ease timing, frustration and create perfection in front of your guests and the camera. We plan for an average of 45 minutes per service, which also includes buffer time, to accommodate each individual accordingly and ensure we end on time.

### **Do you provide services on site and what are your travel fees?**

Our specialty is on site services! We are available to come to your location of choice to provide all of your hair and makeup needs. Travel within Austin and the surrounding areas (within 25 minute drive time) is \$50 per artist needed to accommodate your group. Please inquire about rates for further distances and extended or overnight travel.

### **How do I reserve my date and how soon should I book?**

We regularly take bookings 6 months to 1 year in advance or more. Always check with us on availability of your date regardless of how soon or how distant the date may be! We suggest to any bride that has decided she certainly wants to book our services for her wedding, to do so as soon as possible, because we want you as one of our brides too!! All dates are first come, first serve and require a signed contract and \$100 non-refundable deposit to secure your date.

### **Do you have a minimum for booking/on site services?**

There is a minimum of \$425 or 4 full services (each hair or makeup counts as a service), whichever comes first, to book wedding services. That minimum applies to the actual day of services only. Any trials, travel fees, or flower girl services do not apply to that minimum. If you do not meet the minimum, you can choose to pay the difference to have services provided.
