Cocktail Hour

\$350 Cocktail Hour (1 hour)

Pop-style electric violin performance, covering recognizable classic rock and pop songs with accompaniment tracks from a small speaker

+\$150 Dinner Music + Tech

- Keep the fun going with the violin entertainment continuing through dinner
- Wireless mics & speakers available for speeches after dinner
- Introducing the wedding party and new couple included

+\$50 Song Mashup for Introductions

- Each pair in your bridal party, and the new couple, get their own song in a mashup while being introduced

Reception

\$1000 DJ Violinist (3 hours)

Wedding Reception Style DJ, with good sound system and synchronized light show, and with the added benefit of a violinist!

- Have the violin play romantically during your first dance
- Wireless mic on the violin allows the violin to stroll along the room, and get down on the dance floor with all your guests

- Choose songs for traditional parent/newlywed dances
- Optionally work with me in curating the playlist. It's your night, you control the type of music and your favorite songs you want played!
