

## *Skincare rituals are important for maintaining a luminous complexion.*

**GLOW Signature Facial** ~ This luxurious, exfoliating, hydrating facial enhances skin with gentle massage and soothing hydration. Effective for all skin types, leaves the skin feeling as soft as it's ever been. The result is a dramatically smoother, brighter and revitalized complexion with a noticeable glow. \$100

**Microdermabrasion Facial** ~ Microexfoliation is a technique that removes the topmost layer of skin, leaving it more supple and vibrant. The NewApeel® removes this layer by gently polishing the skin with natural diamond chips bonded to the tip of the wand, while vacuuming the exfoliated skin cells away in a controlled manner. Removing this outer layer leaves a smoother texture and promotes the growth of healthy new skin. It's common for clients to see beautiful skin after one treatment. \$185

**Oxygen Facial** ~ The infusion of peptides and vitamins are good for the skin as it encourages the growth of new cells as well as collagen. Instantly hydrates the skin resulting in increased firmness, reduced appearance of fine lines and wrinkles and an overall radiance. \$185

**Crème de la Crème** ~ This treatment reveals your most Luminous Glow!! Lighten and brighten the skin tone with Microdermabrasion followed by steam and a detoxing powder mask, leaving the skin clean and radiant. A mixture of peptide serums will be infused into the skin with Pure Oxygen for a more plump and youthful appearance. Decreasing fine lines and bringing firmness to the skin a Collagen & Micro-current mask will be applied. Finishing this treatment with LED Light Therapy (created by NASA for healing and used by Estheticians for anti-aging and acne). Plumped, glowing skin. \$268

**Fire & Ice Facial** ~ Clinical treatment designed to resurface the skin, diminishing the appearance of fine lines and wrinkles while smoothing, softening, encouraging overall skin rejuvenation. Excellent for all skin types, this facial results in a complexion that is dramatically refined, with no downtime, peeling, or other negative side effects. \$175

**Dermaplaning** ~ An innovative approach to removing dead skin cells, allowing a jump start for skin renewal and infusion of nutrients. It is a simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair (peach fuzz). This treatment results in a more refined, smooth, "glowing" appearance. \$75, (Dermaplaning Facial & Peel \$170)

**Vitamin C "Brightening" Facial** ~ A gentle all-purpose treatment that exfoliates the skin and protects cells from free-radical damage while tightening, detoxifying, and restoring a firm, youthful, radiant complexion. \$165
