

MY SERVICES INCLUDE:

- * A complimentary in-person consultation to meet, get to know you and learn about your vision for your wedding ceremony. You can tell me if you want to write your own vows or exactly how you want your ceremony to be. Of course, if your schedule (or distance) does not permit – we can definitely discuss all of this by phone, text or email.
- * Working with you to develop and design each section of your ceremony. Do you want to include a remembrance of a family member, or have a special unity ceremony or special reading?
- * Assuring you access to me by phone, email and in person. I WILL respond to your phone calls and/or emails. We will work closely together drafting your ceremony until it is just the way you want it.
