

The Bride - MakeUp

Starting at \$150

Janine will begin with a mini facial and a skin preparation tailored to your skin type to ensure a flawless finish well into the night. Feeling confident and walking down the aisle looking like the best version of yourself is what you can expect. Without a doubt every detail will be incorporated into your vision for your special day.

Foundation finishes with options of HD foundation or airbrushing, customized eye lash applications that include individual clusters or traditional false lashes. Janine will create a time line for the wedding day services so that your day is completely stress free and full of making memories with your loved ones. You'll also receive a touch up kit with lipstick matched to your bridal color.

The Bride - Hair Styling

Starting at \$150

Whether you'd like a fishtail braid, vintage waves or loose curls; Janine has you covered. As a licensed cosmetologist there are no limits to her styling options. Clip in hair extensions or hair padding to create a tasseled updo are just a few of her specialties. Janine always goes all the way to build a sturdy and long-lasting thermal style. Accessories and veils leave a beautiful touch that we will install for you before our departure.

The Design Session

Starting at \$150 for MakeUp & \$150 for Hairstyling

Janine goes over all of the styling details for you the bride, bridesmaids and attendees for the wedding. Together you will determine your skin type, aesthetic preferences, foundation finishes with options of HD foundation and airbrushing, customized eye lash applications that include individual clusters or traditional false lashes. Janine takes notes, photos, writes down preferences, allergies, names, face charts from your design session so that everything is readily available for your wedding day and you know exactly what your look will be!

Large parties or expedited timelines

Janine can personally finish 6 services. Each additional artist required for your wedding day will be \$150 per artist to in order to schedule and secure each team member for your date

Additional Information

Can I have more than one design session or can my mom have a design session too?

Though typically changes that we make and note during your first preview do not require a separate appointment, if you want to try out more than one look, you're more than welcome too. Each additional design session is \$150 per service per person.

Can you stay for touch ups?

Yes! Janine can stay for an hourly rate of \$100 per hour for touch ups once all initial services are completed. These touch ups are only for the bride and attendees that received services by Janine Wehby Artistry.

We need to start services before 8am is that okay?

Sure thing. Any services that require a start time before 8am can be accommodated for an additional investment of \$100 per artist.

Where will you and your team park?

Janine and her team require valet parking that is to be paid for by the bride for each artist when services are to be completed at a hotel.

How long does each service take to complete?

Janine maps in 45mins to 1 hour per service for hair and makeup.

What if we show up late?

Every minute of your bridal timeline is accounted for in the schedule. We make it a priority to stick to the timeline. For every 20mins late a charge of \$50 will be due.
