A romantic wedding scene set on a wooden pier overlooking a city skyline at sunset. The bride, wearing a white dress and veil, is embracing the groom, who is in a dark suit. The background features a dense urban landscape with various skyscrapers, including the Empire State Building, under a sky filled with soft, golden light from the setting sun. The water of the harbor reflects the warm colors of the sunset.

# WHY US?

Choosing the right photographer to capture beautiful portraits of that perfect moment is essential. That's where we come in! With our experience and impeccable attention to detail, we will be sure that you get the best possible shots to remember your special day forever.

# Polaroid PHOTO BOOTH

## PHOTO BOOTH

Most couples choose to have their photo booth service start just after the ceremony. While couples are taking photos with their wedding party, guests will head to the reception area, where they will be entertained with music, a photo booth, appetizers, beverages, and the company of each other. There's always something that's needed to break the ice. Photo booths are an easy way to bring people to talk, interact and laugh together!
