A close-up, profile view of a woman with long, dark, wavy hair, smiling warmly. She is holding a bouquet of flowers, including red and yellow blooms, in front of her. The background is a soft, out-of-focus field of tall grasses under a bright sky. The overall mood is joyful and romantic.

Intimate Wedding

What do I mean by "Intimate Wedding"?

You and your boo thang getting married with your fur babies + up to 16 or 20 (depending on the location) of your closest friends and fam anywhere in CO or beyond! This is for couples that truly value quality time in a space that isn't formal or in nature. Being present in this time and space and doing fun things with their partner means more to them and is less stressful than to be the center of attention at a formal venue. Here, you can kiss traditions good bye and do whatever the hell y'all want to do! I specifically designed these packages with these things in mind and to be sure to have enough time to capture all your fun moments, in-between moments, and truly just to hang with y'all on some dope adventures ;)

Traditional Wedding

What do I mean by "Traditional Wedding"?

When I say traditional, I am talking about those of you that have been dying and dreaming about a big wedding since you were little. This can be anywhere from 25 people to 200! Don't let the word traditional get you tripped up however! When I say this, I say it specifically for the amount of people you have coming. Other than that, whether you're celebrating at a venue or not and like to spice up the 'traditional' way of weddings, these packages are for you! These are designed to help y'all get the most out of my coverage and resources and be sure to capture absolutely EVERYTHING y'all want on your big day with all your friends, family, and fur babies!

FREQUENTLY ASKED QUESTIONS

WHAT DO I WEAR FOR A COUPLE'S SHOOT OR LIFESTYLE SHOOT?

For any shoot, the best colors to photograph are a mix of fun pattern and nude/solid colors. When I say pattern, I don't mean everyone should wear one. Pick one or two people to wear a cohesive pattern and the rest of you wear complimentary solid colors for a family shoot for example. Couples, same thing! Solid colors for both of you or switch off where one wears a pattern and one doesn't. NO bright colors that clash or neons. These will wash you out and not photograph well.

DO WE CHOOSE OUR OWN LOCATION FOR A SHOOT OR DO YOU?

You can do either! I love finding new locations that I haven't been too or I have plenty of suggestions if nothing comes to mind!

HOW MUCH AM I REQUIRED TO PUT DOWN AS A RETAINER?

For any session that isn't a wedding, you are **REQUIRED** to put down a 50% non-refundable deposit. One reason for this is that I would need to book a studio or have other accommodations to make prior to our shoot date. For intimate and traditional weddings, you have the options of putting down a 50% non-refundable retainer or splitting into three payments. If you're still needing a financial reprieve, reach out to me and we can talk about other payment plan options!

WHAT DOES IT LOOK LIKE AFTER WE BOOK YOU AS OUR PHOTOGRAPHER FOR OUR SPECIAL DAY?

After you've booked me for your wedding (i.e., have sent in your signed contract and have paid your retainer), we will set up some dates to go over how you'd like to schedule your day, what photos are most important to capture, and follow-up to review and revise our plan before the big day. I also plan to get to know y'all as much as possible so we will be hanging out often. I need to know my couple's to their very core and value building new relationships!
