Take your files with you

You can still use your legacy files as before, tried and true. But they're also ready to work smarter and harder.

It only takes a few minutes to get set up.

A La Carte

ITEMS	QTY	UNIT	PRICE	TOTAL
-------	-----	------	-------	-------

	1	Unit	\$400	\$400
A second shooter enhances the overall photography experience! They will help me capture a variety of angles and increase efficiency. They will be hired at my discretion and will cover about 6 hours of events.				
	Qty	Unit	\$0.50	\$0.50
I love travel and exploring new places! Unfortunately, travel does not come without expenses. All events within 40 miles of Milwaukee will not require a travel fee. After that, it is 50 cents per mile both ways. For example, if your event is 50 miles away from Milwaukee, then change the "quantity" to 100. If a hotel is required, then the client is responsible for booking and paying the lodging accommodations.				
	1	Unit	\$200	\$200
An engagement session is the perfect opportunity to get comfortable in front of the camera and with me! These photos are perfect for any Save the Dates, your wedding website and reception decor!				
You SAVE \$50 on your engagement session when you add it onto your wedding package! Your engagement session will include a 30-minute session with one outfit and one location of your choice. I guarantee a minimum of 50 images from your session!				
-- Outfits and locations may be added upon request for an additional \$50				
-- The policy for engagement shoot travel fees is the same as wedding day travel fees. This will be billed separately since engagement shoot locations are not typically decided until later.

"Emma did an incredible job capturing my wedding day. She was willing to take all the photos that I wanted her to and even put her own unique spin on it. The pictures came out beautiful. She also did an amazing job capturing my wedding guests during the reception. It warms my heart to look at the photos not only of my husband and I, but also of our families and wedding guests. Emma is so easy to work with and made the wedding day anything but stressful! I would recommend Emma to anyone and everyone!"

"Emma went above and beyond for us! I am unsure what I would do without a reliable photographer I could trust. Emma had great advice for us as we were planning our day. On the day of the wedding, Emma made the day flow so smoothly and I didn't have to worry about anything. We loved all of our pictures so much. I do not regret a single thing!"

"She was one of the reasons that made my wedding day one of the best of my life. I've always been self-conscious about myself, and she made EVERYTHING so easy and real and fun. She was EVERYWHERE, and captured the love, the joy of the day, which is something that was REALLY important to us. We didn't want our photos to be stiff and unnatural, and wanted them to be genuine and she DELIVERED; I cannot express enough how hiring Emma as your photographer will be the best move you'll make."

"The planning and preparation prior to both our engagement and wedding day photos was thorough and resulted in an extremely smooth experience. Our pictures came back in a timely manner and were edited beautifully, and Emma herself was such a help wedding wise beyond the camera. She is kind, fun, compassionate, and intelligent. She is very professional while still keeping the experience light hearted and enjoyable. We could not have imagined my special day without her."
