

WHAT MAKES ABP UNIQUE?

Lets be honest, there are so many beautiful, incredible photographers out there. Many of them are people I've been privileged to call friends. I'm not going to tell you I'm better than they are - The truth is art is a personal thing that touches everyone differently. We all have our own unique style and creative vision that we uniquely bring to this world.

Here's what I am all about: Getting to know you as friends not just a client, a job, or a paycheck. I LOVE getting to see my clients as friends, because when the wedding day comes I get to CELEBRATE WITH YOU! This is why I include an engagement session in my top two packages. I absolutely love what I do and I love working with couples who share the desire to create something breathtaking that will last a lifetime.

Your wedding is YOUR story. It's beautiful and it's totally unique. It's a blessing to be a part of your journey!
