

### 3 Oceans Entertainment DJ Service – Wedding and Event Packages and Pricing

All DJ and MC services from 3 Oceans Entertainment are performed by the owner, Cameron Carpenter. All wedding and event packages include (if desired) an in-person meeting to discuss your event, and a personal website with music requests and information input, plus help with timeline creation and on-site coordination with staff and other vendors on the day of event. Master of Ceremonies for announcements. Set up, tear down and travel are all included in the Phoenix metro area.

#### Package 1 – rate is **\$450**

What is included: Up to 3 hours of service with single sound system and handheld wireless microphone. There is no lighting with this budget friendly option, suitable for a basic event.

#### Package 2 – rate is **\$850** (our most popular DJ package!)

What is included: Up to 5 hours of service starting at Ceremony time (prelude music included for free), or music start. 2 Wireless lapel microphones, plus additional wireless handheld mic available with this standard package. 2 sound systems if needed, such as Reception music immediately following Ceremony, or separate locations at a venue. Dance lighting, which are the colored flashing lights you'll see during open dancing.

#### Package 3 – rate is **\$1250**

What is included: Everything you get with the standard option, and expanded event date service time to 8+ hours. This deluxe package provides an additional cocktail hour sound system if needed, and includes full-room LED uplighting (up to 10 accent fixtures depending on location, with your choice of color to match your room décor) in addition to the included dance lighting. This package is also used for all Sedona events, and includes travel to and from my base in Phoenix.
