2020 INVESTMENT GUIDE

Weddings + Elopements

hi lovely people!

THIS IS MY WHY.

I'm Cecilia-- a wedding + lifestyle photographer from New York State who happens to love stories + photographing them. I enjoy spending my time documenting your important moments in life + all the ordinary in between. Weddings, elopements, couples + seniors are my bread + butter. You'll hear a lot of us photogs talk about our why-- and this is mine: when you do something you love, you never work a day in your life. And that's really it; I love this job.

I make a point of becoming your friend: someone you can talk too, bounce your best thoughts off of or laugh + brainstorm hella fun session ideas with. I focus my style on your genuine, candid reactions to capture all those emotions you are experiencing in the moment. I make it my #1 goal to make sure you have the BEST freakin' time during our sessions + that taking pictures is just your average date night: with a hella cool third wheel. Hey, girl hey.

“
she is all
things you would
wish to have in a
photographer

Words cannot describe how incredibly happy and blessed we felt to have Cecilia as our photographer for our wedding. She is all the things you would wish to have in a photographer and more. She is wonderful, kind, friendly, flexible, professional, and SO talented. Not only were my husband and I so happy we hired her, but we received so many comments from both our wedding party and guests about how wonderful she was. I encourage those looking for a photographer, to look no further!..”

I'M CECILIA.

dog mom | fiancé | photographer.

Think of this as our icebreaker-- where our professional ties + formalities disappear and you find I'm really just a short + sassball gal from New York State who is intrigued with unique stories and lives to be behind a camera (no, seriously I have a camera in my hands 90% of the time). I adore all kinds of stories, my dog, the incredibly cute guy I'm engaged too, traveling to places I've never been-- and this dream job.

I'm obsessed with most things country-- including cows, a good glass of wine, alll things Broadway, seeking out every State Park that I can and really crappy predictable crime shows.

Photography is something that I've always loved. I can't remember a time in my life that I wasn't running around with a camera: family functions, high school band trips, backstage at local theaters + for a period of time-- crime scenes. It wasn't until I got engaged that I really feel in love with the whole idea of capturing others + pursuing it as my career. I'm extremely passionate about being involved in your day and documenting all the beautiful moments that

xo Cecilia come with it.

frequently asked.

WHEN WILL I RECEIVE MY PHOTOS?

You'll receive a sneak peek of a few photos (favorite's list) within 24-48 of your day (I know you're anxious to 'gram!). for engagements, photos are delivered within 2-3 weeks. weddings are delivered within 6-8 weeks.

HOW MANY IMAGES ARE INCLUDED?

you can expect to receive 100 final hand-edited images per hour of coverage! after your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc) and edit & deliver the rest! don't worry, I won't withhold any images I think you'll want.

DO YOU GIVE US THE RAW PHOTOS?

nope! I don't send any un-edited/raw files! most of the magic happens during the editing process, so without that step your photos are only halfway done!

faq. continued.

DO WE NEED AN ENGAGEMENT SESSION?

This is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. An engagement sesh is the perfect time for us to hang out & spend time together before your day! It's also a great way to get comfortable in front of the camera, and practice makes perfect. It's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!

WHY INCLUDE A 2ND PHOTOG?

while I'm confident in my ability to shoot all of my weddings solo, I recommend second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. they can provide another perspective to your day and an alternate angle of every situation! we can chat more about this option on a quick consultation call.

step one.

Let's set up a time to chat via phone or FaceTime! I wanna make sure we go over all details + the kind of vibe you're looking for. Understanding what you want for your big day is important to me + will pick the package + price that's perfect for you!

step two.

Once we go over everything, I will send you over a proposal that will include your package, invoice + contract. A deposit of \$500.00 of the package price is due at booking + secures your date!

step three.

We will work together to plan out your dream engagement session. As the wedding gets closer, I will stay in contact to help and reassure any questions you might have. We will set up a time to meet two weeks before the wedding + I'll send over a questionnaire.

My goal is to make sure you feel confident + covered; your pictures should be the one thing you never have to worry about on your big day.

I can't wait to get to know you as friends + help plan the most epically beautiful day.

I am 100% here for you + can't wait to get started!
