

Adding the Pittsburgh Camper booth to your event is so much fun! Its added entertainment for your guests, the photo strips act as a party favor, and you get to have the amazing photo camper at your event for everyone to see. It's adding the extra "wow" factor to your party!

Our high resolution photographs will capture the memories that last a lifetime.

All prices include drop off and setting up of the camper and a certified friendly attendant to run and assist your guests in using the booth during your entire event.

Guests have unlimited use of the camper booth, meaning that can take as many photos as they like!

For wedding you can choose to add on the Scrapbook Memory book. We take one copy of every photo strip taken and place it into a scapbook and have your guests sign. The scrapbook is completed and ready for you at the end of the event.

Over 100 fun high quality props are included in all events.

A USB drive with digital copies of all photo strips, and all individual photos taken, are included in all events.

All tax and travel fees are included. Any distance outside of 10 miles from the Pittsburgh City Center will require additional travel cost.

We are fully insured and use contracts to book all events with a 50% down payment.
