

The Chris Mondak Jazz Band

Pricing

Our pricing follows a per musician/per hour basis.

1. There is a \$100 travel and set-up fee for events in the Nashville area and within a one-hour drive of Nashville.
2. The performance fee is \$150 per musician, per hour. Included within this fee is your selection of up to three songs for the performance, with the remaining pieces selected by the band.

For example, the total fee to have a trio perform at a one-hour cocktail party is \$550 (\$100 travel and set-up fee, plus \$150 x 3 musicians x 1 hour performance fee).

Conversely, the total fee to have a six-person combo perform at a three-reception would be \$2,800 (\$100 travel and set-up fee, plus \$150 x 6 musicians x 3 hours performance fee).

3. Additional song selections after the first three can be made at a charge of \$50 per song.
4. We require a 20% down payment (refundable if canceled 60+ days prior to the event), with the balance due no later than the start of the performance.
