# WEDDINGS & ELOPEMENTS

**Your wedding day is wildly important**

My approach is timeless, elegant, & documentary.

I understand your wedding is a day full of emotions, moments, and dreams. You deserve to capture these moments in an unscripted way. I want to tell the story of your special day and help you and your loved ones remember this day as it happened. I want to document all of these memories in a stunning way that will be cherished for life.
