

DANCING FISH VINEYARDS

WEDDING PACKAGE

CONGRATULATIONS on your engagement and thank you for considering Dancing Fish Vineyards as the venue for your wedding celebration. Dancing Fish Vineyards is an exceptional setting for a Wedding Event. We pride ourselves in providing your wedding party and guests a versatile setting which features landscaped patios, pastures and vineyard views.

Our venue capacity is up to 125 guests. The Barn can accommodate 80 seated guests indoors with equal space on the outside patio. The barn has internet access and ample heating during colder weather.

Included in the package are padded natural wood chairs, tables, bistro high-tops and a bar set-up. The barn has a screen and a ceiling-mounted projector for slide shows, and an internal sound system for music. The Bocce Bar is a natural cocktail reception space, complete with a bocce ball court with views of the vineyard and horses on the adjoining pasture. Lawn games are available upon request. Higher up on the bluff is “The Lookout” – a viewing platform with seating for 10 people to lounge and enjoy the panoramic view. The barn has ADA approved bathroom facilities and a full caterers’ kitchen. Dancing Fish Vineyards staff will remove all trash and glass recyclables after your event has been cleaned up.

Our Dancing Fish Vineyards wines are available for purchase at a 15% discount. Wine selections are to be made at least one month prior to your event and stored at our winery. A complimentary wine tasting will take place for you to choose from our fine selection. Bartending services, table settings, linens, etc., are all available for rent and are not included in the wedding package. We are a Dancing Fish Vineyards-only wine establishment; however, if you would like to bring beer/cider/champagne (hard liquor is not permitted), you may do so with a Washington State Liquor and Cannabis Board banquet permit.
