*if you need less than what is in the package, we will reallocate the value of the floral into pieces needed

The Radiant Wedding Package \$1695-\$2695

Your Radiant Package is based primarily on your Pinterest Board or Inspiration photos. It includes the same consultation, quantities, and options of the Classic Package, but includes the more popular and high end blooms our Couples want.

The price is determined by the amount of higher end blooms you would like. Small touches would be the \$1695, and moderate touches would be the \$2695.

*if you need less than what is in the package, we will reallocate the value of the floral into pieces needed

The Full Service Experience \$6500+

For our Full Service Design Clients, we offer in-person consultations, unlimited phone, email, text and Google Hangouts, as well as walk-through site visits when needed for clients who need in depth, detailed design services. Enjoy full access to our decor inventory to pair with your flowers at no additional cost, extensive customer consulting throughout the months of planning, *Exclusivity on your date*, and full service delivery, set up and tear down.

It is a completely bespoke service and we limit the
