Catalpa Grove Event Venue at Lakewood Park

History of Lakewood Park & Lakewood Park Campground

The Catalpa Grove Venue is situated in the coal regions of northeast Pennsylvania on the site of the historic Lakewood Park. The original Lakewood Park had a 70-year journey that was established in early 1900's as a place to picnic and camp. It became known as a nature retreat for the nearby miners and their families and was developed over the years. It became a destination for thousands who gathered for swimming, amusement rides, skating, big band dances, boxing matches, ethnic celebrations, summer stock plays and political banquets. The park boasted a 150-yard cement pool, a grand ballroom and hand-carved Spillman carousel, which can still be seen in a museum in Grand Rapids, Michigan. Lakewood Park was the host of the longest-running ethnic festival in Pennsylvania, Lithuanian Days, from 1914-1984. The park had various festivals and celebrations, with celebrity performers, such as Dick Clark, Frank Sinatra, Doris Day, The Everly Brothers, Louis Armstrong, and many more. Guy Lombardo and his band played at Lakewood Park for 27 consecutive years. These performances plus many more made the park an entertainment hub for 68 years.

The local historical society has many articles on their website regarding the history of Lakewood Park. All that remains of the park today is the lake, some foundations, an old bread oven, a couple smaller block buildings, roads, and of course, memories. There is also a YouTube video and a book that highlights the history of the Park. Learn more about the history at: www.lakewoodparkpa.com

Adjacent to the venue is Lakewood Park Campground, which includes cabin rentals and camp sites for family entertainment. Luxury Cabin rentals are blocked for your venue guests to reserve before opening up to the public 60 days prior to your event (Family Cabin is excluded from this). Policies

Decorating

We do allow decorating to suit your taste beginning at 9:00 AM the day of the event (Note you may come earlier in the morning for an additional fee). You may use existing hooks in the wall but not use any other pins, nails, screws, or other hardware to hang objects. Adhesives that could remove the paint is also prohibited. Glitter or confetti is discouraged, unless you can keep it well contained and clean it up afterward. Contained candles are permitted. Options are available to decorate the day prior.

Payments

To hold your date, we require a signed contract with 25% of the total costs due in 5 business days. The second payment of 50% is due four months prior to the event. The final 25% is due one month prior to the event. There is no additional fee to pay with a credit card. We offer a 2% discount if paid in full at time of contract signing.

Cancellation

In the event of a cancellation of your wedding, the following cancellation fees will be charged against your contract total: Cancel more than 18 months before the event: \$600 fee. Cancel between 4 months and 18 months before the event: 25% cancel fee. Cancel between 1 month and 4 months before the event: 75% cancel fee. Cancel 29 days or less: 100% cancel fee but security deposit will be refunded. You may cancel the fire pit on the day of your event because of weather for a 50% cancel fee of fire pit value.

Food & Beverage

You may choose any caterer that you prefer. Caterers must provide proof of insurance prior to the event. You are required to provide your own alcohol. Per state regulations, alcohol cannot be sold on the property as this is a BYOB facility. A bartender is required to serve all alcohol. You are permitted to bring in kegs, but they must be behind a bar and served by a bartender (this is to prevent underage drinking). We can assist with locating a bartender for you if your caterer doesn't have one. Event insurance is also required when serving alcohol; this is typically around \$115. Many bartender services have this insurance included with their service.

Rehearsal

If you have paid for a prep day, you may use that time for rehearsals and a rehearsal dinner (note an additional cleaning and linen fee may apply). If you do not have a prep day, you may opt to have a rehearsal during available days prior to your wedding. This can be booked starting four weeks prior to your event. Additional fees apply.

Event Times

You may schedule your wedding ceremony, cocktail, and reception times as you desire. The property is all yours from 9AM through midnight. Note: Per township regulations, all outdoor music must be moved indoors after 11PM on Friday and Saturdays and after 10PM on Sunday through Thursday. We expect you to do a cursory cleanup of the property and depart by midnight.
