Tree Ceremony

\$400 (tax-deductible)

Schlitz Audubon provides a container-grown Bur Oak Tree (around six to eight feet tall) to incorporate into your wedding ceremony. Both meaningful and eco-friendly, this special commemoration of your day will live on and support the local habitat for years to come. All couples receive a map with GPS coordinates of your tree's location within our Oak Savanna area. Our head conservationist will determine time of planting and location.

FREQUENTLY ASKED QUESTIONS

What time can my wedding ceremony or reception begin?

Indoor spaces may be used starting at 5:30pm. Outdoor ceremonies may start at 5:00pm for a full wedding rental.

What time can vendors arrive to set up?

Set up begins at 3:30 in the Great Hall. Set up starts at 3:00pm at the Pavilion. Vendors may unload at our back loading dock starting at 12:00pm the day of your wedding. All items must be removed at the end of the event.

What does your staff take care of the day of the event?

Schlitz Audubon Staff maintains the facility's cleanliness throughout the event, assists vendors with questions, controls the lighting and temperature of the building, manages the bar for the evening, clears barware, and assists with wedding ceremony procedures. We are not responsible for décor set up and takedown. We suggest a personal attendant or wedding planner to assist with these details.

What is the ceremony back up plan in case of rain?

Our inclement weather plan seats 170 guests. We work with you the day of the wedding to make a decision regarding ceremony location.

Does the rental fee include tables and chairs?

All tables and chairs must be rented and are an additional fee. Canopies Events with Distinction is our exclusive rental company. Your selected caterer will take care of all of your rental needs directly with the rental company. Canopies Events with Distinction will set up and tear down all tables and chairs.
