2019 PRICING GUIDE

hello there!

I'm Molly Widstrom

**DREAMER, TRAVELER,
& LOVER OF LOVE!**

It's important you find someone whose work you LOVE - but I believe it's just as important you find someone who will bring out the best of who you are in your photos. After all - your wedding is an amazing romantic celebration that you want to share with the world!

With my documentary-style photography, I capture the true essence of your wedding day, from the first moments to the last. The two of you are about to embark on the most challenging, rewarding, exciting, life-changing experience of your lives together, and choosing someone to record that day through photography is a big decision.

The first thing I like to do with a new client is to meet in person or over Skype and discuss your expectations. We'll talk about your plans for the day and what you're looking for in a photographer.

I'll have you fill out a survey with as many details as possible about your wedding, and we'll go over your answers. It's okay if you don't have all the information yet - we'll keep in touch between booking and your wedding.

I want you to have the best wedding ever, and I'll work with you in achieving your goals.

Frequently Asked Questions

DO YOU TRAVEL?

Yes! I would absolutely love to discuss travel details for a custom quote

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

I create custom packages for many clients. Your wedding photos will be the ONLY thing you have left to remember your day, so I definitely recommend capturing the ENTIRE event, instead of just a couple of hours. However, I do offer hourly pricing.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most time intensive part of your wedding as I work hard to ensure every image meets my artistic standard. Every photo has my custom look applied, and is adjusted for things like brightness and optimal color. I do not typically airbrush unless specifically requested.

DO YOU PROVIDE ALBUMS?

An album is included in my Gold Wedding Package. If you decide to go with another package, I can definitely add one for you after the day is over! Wedding Albums are an incredible keepsake to commemorate your wedding and to share with future generations.

I'M READY TO BOOK! WHAT NEXT?!

AMAZING! I can't WAIT to get to know you and I'm so thrilled you've chosen me! To book I require a signed contract and 50% retainer. Dates cannot be reserved until these have been received. Contact me today and we'll send you full booking information!
