# WEDDING VIDEOGRAPHY

*by* moonlight PRODUCTIONS

Is your big day coming up? We understand the hard work, money, and planning tha goes into the most important day of your life. If you are interested in having each moment of this day captured on film, contact Moonlight Productions today.

From your wedding day preparations to the last dance, we have the experience and equipment to capture every moment on film, in stunning detail. We shoot, edit, and produce all of our own content in house with the latest and most advanced equipment.

Contact us today for a free consultation, after which, a price quote and any other additional information will be provided.

Moonlight Productions looks forward to the opportunity of working with you and capturing your special day on film forever.

**Let my lens tell your story.**
