Justin, initially we were worried when choosing a wedding dj. Hillary and I have both been to weddings with bad DJs and saw how crucial the DJ was to the success of the reception. We were impressed from the moment we talked to you on the phone. Your attention to detail made our wedding go over without a hitch. Even when we surprised you an hour early and asked to do a grand introduction when we weren't planning on it, you were able to pull everything together in minutes and give us the day we were dreaming of! THANK YOU SO MUCH!

One of my favorite memories was when he played greek music, as requested by the guests.

ADDITIONAL COMMENTS: (Use back if necessary)

Justin was extremely professional and helpful from day one. He went above and beyond to make sure every detail was planned. I did not want a chelsea DJ, one who was going to be obnoxious on the mic, Justin was far from one of those DJs. He kept the timeline of the night going smoothly, and adjusted the plan to whatever cur ball I threw him. Highly recommend!!
