BRITTANY TITUS

THE WEDDING EXPERIENCE

I POLLED HUNDREDS OF BRIDES

AND THIS WAS THEIR GREATEST FEAR:

*“What if I don’t love my photos?
I only have one chance at this!”*

It’s a valid fear. You can’t re-do your wedding day! So, is it possible to be able to enjoy your wedding day, knowing for certain that you are going to love your images when all is said and done? Well, after over 5 years photographing beautiful weddings for amazing BTP couples, I can tell you that the answer to that question is “Yes.” You can know for sure that you’re in good hands... but it requires more than just booking a vendor. Keep reading to find out what how!

Welcome! I'm Brittany and I believe this is the beginning of something good!

I believe that wedding photography is done best when couples have a relationship with their photographer and fully trust them. This is how I have guaranteed and delivered incredible photography experiences to my BTP Couples in the past 5 years! When I arrive on a wedding day, I need to feel like an old friend and not like a stranger. This affects every aspect of how your photos will turn out! Keep reading to get to know me and learn more about who I am beyond the camera.

LET'S BE FRIENDS:

This is what you need to know...

I'm a photographer, but I'm also a wife, momma, sister, and someone who truly believes God's given me this job because it allows my creative gift and passion to have purpose!

Also, If you like to start your day with iced coffee and end it with a margarita, then we should definitely be besties. If you want a photographer that will dance with you at the reception and cry happy tears with you as you marry your best friend, then I should definitely photograph your wedding!

MY WHY | IT'S MORE THAN JUST A JOB

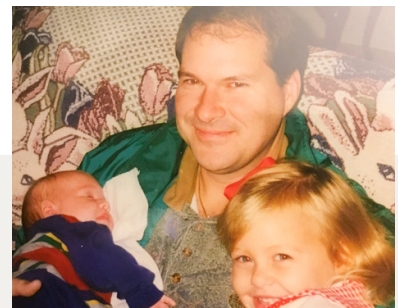

MARRIAGE

I believe marriage and deep relationships are some of life's greatest gifts! I know that my role in my BTP Couple's lives is not only to deliver a beautiful final gallery but to be supporters and encouragers for their new marriage!

TITUS

I believe that every human being has gifts and passions for purposeful reasons. I'm so thankful that Titus is growing up watching his mom use her abilities in a business that is creatively fulfilling and filled with meaningful purpose!

MORE THAN PHOTOS

I aim to create memories, not just images. When I lost my dad in 2012, his photos and my memories were all I had left to cling to. Your wedding photos aren't just images, they're a memorialization of your family and loved ones that will be cherished for generations.

Matt is my husband and we are college sweethearts

WE'VE BEEN TOGETHER SINCE I WAS 18 AND GOT MARRIED IN 2016.

We have one son and one dog

TITUS IS OUR SON; HE'S THE SWEETEST BOY! DAISY IS OUR RESCUE PUP; SHE'S A HOUND AND PIT BULL/TERRIER MIX.

I love to laugh

I HAVE A VERY LOUD AND BOISTEROUS LAUGH! IT'S ONE OF MY MOST DEFINING CHARACTERISTICS AMONG MY FRIENDS AND FAMILY.

I'll 100% dance with you at your reception

I LOVE MUSIC AND I LOVE A GOOD DANCE PARTY!

Enneagram 9

I'M A HELPER BY NATURE AND I PRIDE MYSELF ON BEING A CALMING PRESENCE ON YOUR WEDDING DAY WHEN THINGS FEEL HECTIC.

FEATURED IN

If you're looking for the perfect photographer, look no further! Brittany is professional, reliable, hilarious, and a master at her craft. Every single photo I got back was bright, clear, and captured each and every special moment. She made things go smoothly and was extremely comfortable giving direction to the wedding party. I've been in many weddings and have yet to know a photographer as good as Brittany. When I had a timing issue with my bridal portrait orders she handled it right away. We were also beyond pleased with our leather bound photo album!

EMILY + AUSTIN

MY PROMISE

YOU KNOW YOU WANT GREAT IMAGES ...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what I promise to give you. Over and over and over again, BTP Couples rave about their experience almost more than their images! Why? Because in order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. I have worked with over 50 BTP Couples over the last 5 years and I can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful, and genuine client experiences is what I specialize in and I am so excited to share more about what the BTP Experience includes!

THE EXPERIENCE

What is included in my wedding experience and why:

I have structured my wedding experience very intentionally. Everything I offer and recommend is a strategic part of an overall experience that leads to what my BTP Couples ultimately desire: genuine, timeless, and joyful images. Our most intentional aspects of the BTP Wedding Experience include:

8 HOUR MINIMUM

I have found that for a traditional wedding day, I need a minimum of 8 hours to capture the full story of your day with a stress-free timeline.

complimentary ENGAGEMENT SESSION

I include an engagement session complimentary because this is my opportunity to get to know you and empower you to feel comfortable in front of the camera.

SECOND PHOTOGRAPHER

A second photographer is a non-negotiable part of my wedding experience! A second photographer allows the day to run effortlessly and provides a second perspective throughout your wedding images. The BTP wedding experience wouldn't be complete without one.

I couldn't have chosen a better photographer for Ryan and I's wedding. You were professional, fun, and captured the most beautiful pictures for us. It was a joy getting to know you through our engagement photo session and our wedding! You're so personable and easy to work with. You arrived on time for our wedding, were laughing and constantly fun to be around, and made everyone feel comfortable. You got all the pictures we wanted and more, and delivered them to us super quick. I'm so grateful we chose you to photograph our most important day!

ASHLEY + KYLE

There is not a review in the world I could write that would be good enough for you & your beautiful work! There is not a picture I don't love & you were absolutely amazing to work with. You made us all feel so comfortable & all of my guests & bridal party said they didn't even notice you were there during the reception even though you got the best shots of all of them! Thank you so much for capturing the best day of our lives, I will cherish these photos forever! You're the best! Love, Mrs. Rusher

EMILY + LUKE

Words cannot express our gratitude to you. You were outstanding from the moment we spoke on the phone after Luke and I got engaged. You were helpful in answering questions, configuring timelines for each photo session, making us feel comfortable, and of course taking incredible photos. We were pleased with our engagement photos, my bridal portraits, rehearsal dinner photos, and of course our wedding day. I love that you captured raw emotion that we can't ever completely relive, but now can always have documented. You were shockingly quick in getting our photos back to us. Your editing is very natural and the colors you capture are perfect. I look at our gallery on a daily basis and will continue to for years to come. I will also note that the PASS gallery is very user friendly and the quality of canvases we ordered were great. Thank you for EVERYTHING!!! I'm sure I will be calling you for all of our life's events that need photography.

Envision this....

Your wedding has happened. It was beautiful and everything you dreamed it would be. Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further and you invested in a family heirloom keepsake that tells the story of the day you began your life together as husband and wife. Your wedding is literally the beginning of your new family unit! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. Legacy albums aren't just for you, they are also for those that come after you. What a beautiful gift to hand down to future generations!

Frequently asked questions:

WHAT IS OUR SHOOTING STYLE?

I love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I teach my couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

ENGAGEMENT TRAVEL?

I am more than willing to travel for engagement sessions! I actually love it when my couples ask me to photograph them in a location that means something special to them! All of my engagement sessions include 90 miles of travel complementary. If you want or need me to travel further than 90 miles, the additional mileage will require a travel fee charged at \$0.63 per mile over the included 90 miles.

HOW MANY IMAGES CAN I EXPECT?

I average 75 final images per hour that I am actively shooting throughout the day. This estimate is normally on the lower side since I tend to be an over-shooter. I love delivering my client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. I believe in freely sharing my work because that is what I would want if I were in your shoes!

MELANIE + AJ

First off I want to say thank you for taking on my family twice in a little over one year. I know we are one big crazy bunch and we can't thank you enough for your patience and your talented work especially when I ran out of time to put together a detailed list for pictures. Your upbeat attitude, your makeup tips, and your calm that you brought when I started feeling nervous and the anxiety kicked in were all moments I will treasure forever. Our wedding was such a big moment in our relationship that we didn't know would even happen based on how this year started. You captured every moment we only dreamed of having and more. You will forever be considered as one of the family and we can't wait to have you capture more special events that will take place in our lives. You are wonderful. Thank you again for everything! SARAH + HOLT

ALL of the photos were STUNNING! We love all of them! Especially the beautiful sunset picture!! I am so glad we chose you to capture our special day!!! You made me feel so comfortable and you were so much fun to work with! Also, you got our photos back so quickly! We are so happy with everything you did for us!! Including the sewing kit when the strap on my dress broke! Thank you so so much for everything!!

Thank You!

I'm so glad you contacted me! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals, and the details will fade away. Once your last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!

Xoxo, Brittany
