Wedding Party Services

Designs for bridesmaids, other bridal party members and guests will be charged at an hourly rate of \$70. We do custom work for each client using traditional motifs but in a simpler format than the bride's henna.

Our minimum age to apply henna is (6) years.

We recommend booking (1) hour per 8 people. You will be charged only for the time we actually spend applying henna to guests, and any unused time will be credited back to you. (Likewise, we can charge additional time if needed.)

We also have relationships with other Birmingham-based artists who can be brought in for very large events where having two or more artists working simultaneously would be convenient and less time-consuming

Here are some examples of designs that guests have enjoyed at prior events.

Testimonials and Happy Brides

“Amy Miller ... the best henna artist in Birmingham.” —Bisakha “Pia” Sen, Ph.D., native of Kolkata, India

“We booked Amy for my wife's henna decorations for a Hindu wedding, and she did a fantastic job. Everyone loved the authenticity and level of detail, even the aunties from the old country who have seen dozens of similar decorations before. They did a wonderful job with traditional Indian wedding designs for a pretty discerning audience.” —Sri Narayanan, M.D., first-generation Indian-American

“When I showed my friends my mehndi, they were surprised that a non-Indian did it.” —Rumita Rowchowdry, native of India

Jaya Varma, American-born of both Indian and Caucasian heritage

Bera Sekhon

“Amy/Blue Lotus Mehndi provided amazing henna for my henna party prior to my wedding. Amy was such a pleasure to work with AND she is a talented henna artist. As an Indian bride, I was very impressed and happy with her work—it was creative, intricate and beautiful. My guests were just as happy with the henna designs she did on them. I recommend her highly!” —Bera Sekhon, first-generation Indian-American

“You guys were such a pleasure to work with! Thanks for making my wedding day extra special.” —Cessie Spearing, Caucasian/Filipino American marrying into an Indian family
