SHORT STREET CAKES

is an all-natural, Southern-style bakery that offers a variety of 100% scratch-made cakes, cupcakes, tiered cakes, and pies for weddings. We represent the very best in the classic tradition of Southern baking. Because we are an all-natural bakery, we do not work in artificial food coloring, fondant, or gum paste, but offer fresh, flavorful cakes with elegant designs and natural colors. We love to adorn our cakes with fresh flowers (provided by our local, organic growers, or by your florist). We offer cake stand rental for our wedding clients from our collection of colorful vintage glass, silver, and ceramic stands, as well as cupcake trees and other cake accouterments. All of our cakes can be made gluten-free and many can be made vegan as well.

Our cake buffets, cupcake buffets, and pie buffets are priced per serving depending on the category of cake you select (simple- \$3; classic- \$3.50; or deluxe- \$4). Our tiered cakes are also priced per serving (simple- \$4; classic \$4.50; and deluxe- \$5). This per-serving pricing includes consultation, design, and set-up. We will deliver your wedding cake to anywhere in the world for our delivery fee of \$1.50 per mile round trip. If you require no consultation, no tasting, and you plan to do your own table design and set-up, feel free to order your wedding cupcakes or cake buffet directly off the menu (and pay retail menu prices) by calling the Cake Shop and placing your order. This service is not available for tiered cakes. Tiered cakes are only available by consultation, are always priced per serving, and must be delivered and set up by our staff.

The next step is to schedule a cake tasting. The tasting costs \$30, which includes four cupcakes in two flavors of your choice and two cupcakes in two flavors of the baker's choice. If you decide to work with us, this \$30 tasting fee goes toward your final balance. When scheduling a tasting, please be prepared to provide us with your contact information, wedding date, number of guests, wedding venue, your two flavors of choice, and your scheduling availability to for a tasting. We will do our best to accommodate your schedule request, but, of course, the more notice the better! Thanks so much! We look forward to working with you!
